OUR STORY & PURPOSE

How ImpactRise Foundation began and why we exist.

Our Beginning

ImpactRise Foundation was established with a shared commitment to creating meaningful opportunities for people and strengthening communities across India. The Foundation was incorporated on 20 June 2026 as a Section 8 non-profit company, limited by guarantee and without share capital, with objects extending across India.

The Foundation was founded by four promoter-directors — Chandan Kumar Singh, Mukund Kumar Singh, Abhishek Ankit and Kumar Shantanu — who were appointed on 20 June 2026 and are authorised to represent the organisation. Their shared commitment forms the foundation of ImpactRise's long-term social mission.

Our Purpose

ImpactRise Foundation exists to help create a more inclusive and sustainable India by expanding access to education, improving health and well-being, strengthening livelihoods and supporting community development.

Our Approach

We believe meaningful social impact is built through community participation, responsible governance, collaboration, transparency and sustainable action.

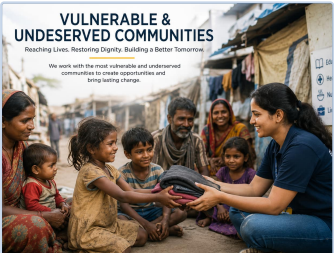

Who We Care For

Children & Youth

Supporting education, learning opportunities, awareness and a positive environment for growth.

Vulnerable Communities

Standing with communities facing poverty, hardship and displacement through meaningful support.

Disaster-Affected Communities

Supporting relief, essential assistance and recovery during floods and emergencies.

Our Environment

Plantation, environmental awareness and community action for a greener future.

VISION, MISSION & VALUES

Vision

To contribute to an inclusive, empowered and sustainable India where individuals and communities have opportunities to learn, grow, live with dignity and participate meaningfully in their own development.

Mission

Promote education, vocational training and skill development for children, youth and adults.

Improve public health, nutrition, sanitation and preventive healthcare; strengthen rural livelihoods.

Promote environmental protection; support communities affected by disasters; and encourage community development, inclusion, participation and collaboration.

Our work is guided by a commitment to dignity, inclusion, responsible action, collaboration and sustainable development. We seek to ensure that our efforts remain aligned with our social objectives and create meaningful value for the communities we serve.

Organisational Values

Integrity

We strive to act honestly, ethically and responsibly in all activities and relationships.

Dignity & Respect

We respect the dignity, rights, experiences and perspectives of every individual and community we engage with.

Inclusion & Equality

We promote equal opportunities, meaningful participation and inclusion, particularly for vulnerable and underserved communities.

Accountability & Transparency

We value responsible decision-making, openness and accountability in our programmes, partnerships and organisational practices.

Collaboration

We believe that sustainable change is strengthened when communities, volunteers, institutions and partners work together.

Sustainability

We support approaches that create lasting social, economic and environmental value for present and future generations.

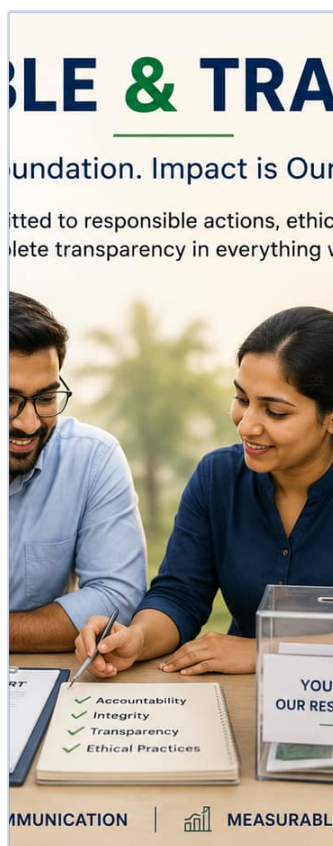

Community-Centred

People and communities at the heart of our work — listening to local needs.

Inclusive

Equal opportunities and meaningful participation for underserved groups.

Responsible & Transparent

Accountability and transparency in planning, delivery and communication.

Collaborative

Working with communities, volunteers, institutions and partners.

OBJECTIVES

Principal objects as set out in Clause 3(a) of the Memorandum of Association.

The ImpactRise Foundation's principal objects are set out in Clause 3(a) of its Memorandum of Association. These objects focus on education and skill development, healthcare and nutrition, and rural livelihood and employment, with furtherance activities across related social-development areas.
